Our Guarantee

We guarantee all bulbs to be true-to-name, meaning you get exactly what you ordered. We do not substitute varieties unless you indicate it is acceptable to do so. We guarantee photos in our catalog accurately represent the bulb shipped to you. Mistakes can happen, if your bulb blooms other than as expected please contact us and we will gladly replace it with the correct variety, a selection of your choice or issue a credit - your choice.

We guarantee bulbs arrive in prime planting condition. Occasionally a bulb can spoil in transit, especially under warm conditions in spring. We replace spoiled bulbs upon their immediate return (within 10 days). It is your responsibility to inspect all bulbs upon arrival and notify us of any problems. It is also your responsibility to plant them immediately.
